

# CRIME OF A MOTHER

The Awful Act of a Woman at South Bay City.

## SHE TOOK TWO AND LEFT THREE

Mrs. George Beaudry, the Wife of a Harnessmaker, Drowns Herself and Two Children in the River.

BAY CITY, Mich., June 14.—Mrs. George Beaudry, of South Bay City, jumped into the river with her two children. All were drowned. George Beaudry and wife came to Bay City eighteen years ago, from Montreal. He was a harnessmaker by trade but has not followed that business for several years. About 6 o'clock a. m. Mrs. Beaudry arose as usual and began getting breakfast. Her husband and the children were in bed. A few minutes later she aroused George and Victoria, the youngest of her family of five, dressed them and started for the river. Arriving there she sat down on the dock with a child on either side.

Suddenly she pushed the boy into the river, and seeing a man coming down the street, she jumped in herself with the girl in her arms. The man reached the river in time to see the mother and children about to sink. She was holding the little girl under the water and the boy was floundering about. Not wishing to risk his life in an attempt to save the three, the man ran back to the street and gave the alarm, but too late. The coroner was notified and the bodies were recovered. Mr. Beaudry says he cannot account for the awful action of his wife.

## SUPREME COURT

Is Asked to Settle Important Matters. Cases Heard.

LANSING, June 14.—In the supreme court today an order to show cause was granted in the application of the board of supervisors of Houghton county for a mandamus compelling the secretary of state to recognize the division of the county into legislative districts made by the board in violation of the act of 1891, by which the state was redivided. The order was made returnable June 23, when the arguments will be made. It involves the validity of the entire act and of course incidentally the politics of the next United States senator from Michigan. Joseph Loser made application for a mandamus compelling the Soldiers' home board to rescind its order requiring inmates of the home who are pensioners to turn over their pensions to the management.

John A. Brooks applied for a mandamus compelling the D. & N. Railroad company to issue two mile tickets that will be good for any member of a family. There was a law to this effect enacted in 1889 and re-enacted in 1891, but the companies have continually ignored it and refused to sell a transportation, claiming the act unconstitutional. The question will be settled by this action.

Cases heard: Grand Rapids School Furniture company vs. Eljah Haney et al.; John Heffron vs. Detroit City railway; Charles E. Andrews vs. John Bennett; Salame Lacas vs. Detroit City railway. Wednesday call: 26, 29, 31, 31, 32, 33, 34.

Messrs. Wolcott, Wandy, Dennison and Fuller, Grand Rapids attorneys, were in attendance today.

## EXPECT TO BREAK

The Records Made Between Detroit and Grand Rapids.

KALAMAZOO, Mich., June 14.—The relay bicycle race between Kalamazoo and Detroit is exciting great interest. It is expected that some of the relay records between Grand Rapids and Detroit will be broken. The relay will be ridden by two men each. The principals for the relays as far as selected are as follows: Kalamazoo to Galesburg, nine miles; Will Byington, Kalamazoo; Galesburg to Augusta, six miles; Claude James, Kalamazoo; Augusta to Battle Creek, ten miles; C. E. Jones, Battle Creek; Battle Creek to Marshall, twelve miles; E. C. Adams, Battle Creek; Marshall to Albion, thirteen miles; R. N. Weil, Marshall; Albion to Jackson, nineteen miles; Robert C. Jones, Jackson to Chelsea, seventeen miles; rider not chosen. Captain Jolie Allen of the Kalamazoo Wheelmen's club will be in charge of the western division, which will extend from Kalamazoo to Chelsea, a distance of eighty-six miles, and from that point J. M. Bressen will command. The date will be decided upon in a few days.

## COULDN'T PART WITH HER.

The people look for a through train from Manistee via the M. & N. E. Saturday.

## Farmers Rejoice.

CADILLAC, Mich., June 14.—The warm weather is causing the farmers in this vicinity to rejoice. The abundant rains have filled the ground with moisture, which has all been absorbed by the sandy soil, and there has been a phenomenal growth of crops. The hay crop will be the largest for years, and the indications are that corn and potatoes will yield largely. Wheat is also looking finely and barring misfortune this will be the most prosperous year that northern Michigan farmers have known for many years.

## Will Do Time.

ANN ARBOR, Mich., June 14.—Allen L. Nowlin's watch, worth \$150, was stolen yesterday morning. Officer Schall captured Dick Carroll, the porter at the Cook house, while in the act of burying the time piece in the sand in a cellar of a neighboring saloon.

## Lecherous Youth Sentenced.

SAND BEACH, Mich., June 14.—Levi Smith, 15 years old, who was arrested last week on the charge of attempting to assault a seven-year old girl, has been found guilty and sentenced to the reform school at Lansing until he is 21.

## Confessed a Notorious Crime.

DETROIT, June 14.—Fred Brook, a colored youth charged with feloniously

smuggling an 11-year-old boy named Martine Lebest, of No. 100 Beaubien street was examined in the police court this morning. Brook admitted the crime and was bound over to the recorder's court in \$500 bail.

## Creamery and Cheese Factory Burned.

STANTON, Mich., June 14.—Lightning struck and set fire to the creamery and cheese factory at 10:30 last night and the whole plant was reduced to ashes. It was a new plant, put up this season at the cost of \$4,500. It was insured for \$5,500 and had been running but two months.

KALAMAZOO, Mich., June 14.—John Barker and Miss Sophronia Stone were wedded at St. Augustine's church today. The bride was a Baptist, but went over to the faith of the groom, the Catholic, when she consented to marry him. Relatives are said to have disowned her for her action.

## He'll Do Less.

## Around the State.

Frank Butler had a narrow escape from a fearful death. He boarded the American Express company's through train west at Albion. This train passes through Marshall at the rate of thirty or thirty-five miles per hour, and it was running at this high speed when Butler jumped off at Marshall station. He was severely hurt, sustaining a broken jaw and other injuries, which may result fatally. Had help not soon reached him he should have been run over by the fast through passenger train, which was nearly due.

Superintendent Wood of the reform school has been directed by the central board of inspectors to refuse admittance to the reform school of boys suffering with epilepsy, or who have any contagious or infectious disease, or who have been exposed thereto. Admission will also be denied to boys suffering with chronic disorders which do not yield to treatment. The presence of this class of boys is deemed by the board to be detrimental to the institution.

G-Hieb Newfoot, keeper of the Ing-ham county poor farm, was asked to resign Monday by the superintendent of the poor. It is alleged that New-foot permitted a notorious woman named Margaret Maroney to take from the poor house on Thursday last, without a warrant from the proper officers, an unfortunate young woman of Lansing, who was recently confined there.

A high-falootin' citizen of Sparta was converted at a revival meeting.
